

HYDRAULIC SHOP CRANES

- Heavy-duty steel frame construction
- Quick-lift hydraulic ram features two pump pistons - lifts with both up and down stroke
- Chrome plated plunger and ram pistons provide superior rust resistance
- Top-of-stroke and safety overload bypass system protects hydraulic ram assembly
- Oversized hitch pin for quick and easy boom adjustment
- Steering handles enable improved maneuverability
- Rugged steel fixed and swivel casters
- JFHC-200X model features folding legs with safety pins for compact storage
- Complies with ANSI/ASME PALD-12 standards
