

Edge trimmer

## JEB-1 – EDGE BANDER

- ◆ The Edge Bander is simple to operate and is designed to handle wood and polyester edge banding materials that are backed by a hot melt adhesive
- ◆ The heating element has infinite adjustment within the 100 to 200 degree heating range
- ◆ It has non-skid rubber feet, a built-in plunge cutting knife and wide support table for the banding material roll
- ◆ A double edge trimmer is supplied
